

Privacy Notice for Suppliers

The Technion – Israel Institute of Technology (No. 500701636) and the Technion Research & Development Foundation Ltd. (Co. No. 510097918) (hereinafter: the "Technion" and/or the "Foundation") are committed to protecting your privacy and respect your rights concerning personal information provided to us in the course of our engagement with you as a supplier. This Privacy Notice supplements the general privacy policies of the Technion and the Foundation. The Technion's general privacy policy is available [here](#) and the Foundation's general privacy policy is available [here](#).

The data controllers are the Technion, whose address is Technion City, Haifa 3200003, and the Foundation, whose address is Chicago Blvd., Haifa 3200003.

This privacy notice applies solely to "personal information" as defined in the Protection of Privacy Law, 5741 – 1981.

Information Collection

During the supplier onboarding process and/or during the engagement with you, we collect personal information such as identification and communication details, bank account details, and financial and legal documents (in the case of an individual's account), as well as and any other information required by applicable law or procurement procedures.

The provision of personal information is not required by law, but it is necessary for your registration as a supplier and for the purpose of executing the engagement with you. Failure to provide personal information, as well as providing partial or outdated information, may prevent the opening of the supplier account, the consideration of an engagement with you, or the execution of payment for services.

Use of Information

Personal information will be processed for the purpose of registration as a supplier, executing engagements and payments, ongoing communication, compliance with regulatory requirements, operational management and support, maintenance information security, and protection of legal interests.

Information Sharing

Personal information will be transferred to third parties only to the extent required for the purpose of the engagement, such as service providers, entities related to the Technion/Foundation, competent authorities, partner academic institutions, or for the protection of legal rights.

Supplier's Responsibility to Inform Data Subjects

When the supplier, or anyone on its behalf, provides personal information about another person (including information about an officer, employee, contact person, bookkeeper), the supplier must ensure that the data subject has been informed about the provision of the information and the manner in which the information will be processed in accordance with this privacy policy. In addition, the supplier must ensure that it has the lawful consent of the data subject for its provision, or that another legal basis exists that permits the transfer of personal information.

Your Rights

In accordance with the Protection of Privacy Law, 5741-1981, every person is entitled to review the information collected about them, and to request its correction or deletion. Requests may be submitted to the Data Protection Officer via email: dpo@technion.ac.il.
